### MY ASSISTANT

To receive alerts and assistance in the event of an accident or breakdown concerning your Jeep.

### MY REMOTE

To find and control your Jeep, at all times and everywhere.

### MY CAR

To monitor and take care of your Jeep.

### MY NAVIGATION\*

To receive real-time information on traffic conditions, weather and speed cameras along your route.

### MY ECHARGE\*\*

To manage all charging operations at public stations or at your private wallbox.

### MY WI-FI\*\*\*

Surf the Internet and connect multiple devices to your Jeep, at the same time.

### MY ALERT\*\*\*

To receive help and assistance in the event of theft and recovery of your Jeep.

### MY FLEET MANAGER\*\*\*

Solution for managing your fleet ensuring absolute control over the activities, service status, maintenance and assistance.

Download Jeep, mobile app or go to the official Jeep, website to take advantage of all services.

\* Only available on Radio Uconnect Navi.

\*\* Only available on 4xe versions.

\*\*\* Optional services.

### 10.25" INSTRUMENT CLUSTER

The evolution of the Jeep® Compass 4xe Plug-in Hybrid Limited also includes the instrument panel which now boasts a 10.25" full HD digital color display browse more than 20 different pieces of information and content as well as create 5 different customizable menus.

### E-COASTING

Charging your battery on the go is fast and easy with e-Coasting, which uses the negative torque of engine brake as a way to charge.

### HYBRID MODE SELECTOR

CHOOSE ONE OF THE THREE DRIVING MODES.

HYBRID: intelligently uses both engine to maximise efficiency.  
ELECTRIC: only uses the electric motor for zero emissions.  
E-SAVE: recharge your battery on the go with regenerative braking.

### 10.1" UCONNECT™ RADIO

On the Jeep® Compass 4xe Plug-in Hybrid Limited, the intelligent Uconnect™ infotainment system is brand new and features a 10.1" display, with Ultra HD resolution. The operating system is the most innovative ever with a processor that is five times faster than before for easy and intuitive navigation.

### STANDARD ELECTRIC OUTLET\*

Charge the vehicle with the standard cable wherever there is a household electrical outlet.

### WALLBOX\*

Wallbox is the most practical and intelligent way to recharge your vehicle at home. Installation does require the intervention of specialised personnel. You can also schedule charging according to your needs through the Uconnect™ system or mobile app.

### PUBLIC CHARGING\*

Use public charging stations to recharge your battery when you are on the road.
